

Summer Internship Program

CHENA POWER, LLC.

Chena Power is set to kick off our annual summer internship program and we are looking for applicants! We are looking for one student to organize this year's 6th Annual Chena Hot Springs Renewable Energy Fair. The position entails soliciting potential sponsors, lining up speakers, confirming vendor participation, and many other tasks required to get the event off the ground.

- This is a paid, full summer internship that will last from May 16, 2011 to August 16th, 2011.
- Free room and board provided by Chena Hot Springs Resort.
- Applicants must have strong leadership abilities and a strong work ethic.
- All students are welcome to apply!

We'll be accepting applications until April 16. Email your resume and a copy of your transcripts to either of the addresses listed on the right.
